COMMON ROOM FOR FEMALE STAFFS AND LEARNERS

The university should have a common room for its female staffs and learners. Thus, in the line the university has established a spacious and comfortable common room for its female staffs and learners. Common room is an essential element for healthy recreation and mutual contact among female staffs and learners in the university campus. The space has been allotted and designed to give females a place to relax, to study, and to have informal discussions in free time available. There are some facilities, which the university will ensure its availability in the common room, namely,

1. The university will make available necessary items for the females like sanitary pads, sanitizer, paper shop, hand wash towel, and tissue paper etc. in the common room.
2. Proper cleaning of the Common room, toilets and bath rooms will be taken place on daily basis.
3. Newspaper, magazines and journals are also placed in the common room for reading purposes for females.
4. Female assistant will also be appointed to cater the small/essential needs of females.
