## Pandit Sunderlal Sharma (Open) University Chhattisgarh, Bilaspur (CG)

### Policy document of Green Campus initiative for the University

A GREEN CAMPUS is a place where environmentally responsible practice and education go hand in hand and where environmentally responsible tenets are borne out by example. Pandit Sunderlal Sharma (Open) University Chhattisgarh is committed to ensure that the built infrastructure of the university has sustainability as a core principle, both in construction and maintenance management of the campus. University aspires to follow a range of sustainable design features and practices implemented to build and maintain the university as a complete green and sustainable campus continuously. The policy document describes following practices and exercise in the campus:

- Establish on campus renewable energy sources like Roof-Top Solar Power Plants etc.
- Energy and Water Conservation.
- Green Belt Development.
- Solid Waste Management program to separate recyclable waste and dispose all waste in non-polluting, responsible manner.
- Getting all buildings certified as green buildings.
- Follow Sustainable Construction practices.

In the line of above with learners' wellbeing, the university will make and ensure following practices and activities in the campus:

#### Restricted entry of Heavy Vehicles

- Heavy vehicles are restricted in the university campus.
- Vehicle speed shall be limited to 20km/hr inside campus.
- Vehicles shall be allowed only up to the designated parking area.
- Vehicles must be parked only in allotted slots.

#### Pedestrian pathway

- Always control your speed yield to pedestrians. Alert other before passing.
- Be alert and courteous. Allow others to pass.
- Pedestrian path is available, design for safety and convenient and in some part disabled-friendly features.

#### Ban on use of plastic

- To ensure plastic-free campus encourage staff and administrator to avoid bringing non-biodegradable plastic items.
- Systematic campaign to reduce the usage of plastic, especially the single use plastic.
- Ban the use of single-use plastic in canteens, academic and administration department.

#### Tree plantation

- Green campus environment will be ensured in the University campus. The university also ensure to inculcate this among all the stakeholders.

➤ Tree plantation regulate and maintain the green and fresh atmosphere in the campus.
